A WORD FROM OUR PRESIDENT

Another year has gone by and the Club finished 2022 with its Anniversary Open Show and Championship show. Both were well attended by members and as usual, our Trophy and ribbon steward Susie Campbell did an outstanding job. Thank you Susie.

Another very successful Christmas party was held in conjunction with the West Highland White Terrier Club and everyone had a great time. Again there was plenty of food to satisfy the hungriest of people.

Easter was very successful. The Club's Championship show, held a week before Sydney Royal was successful. It was pleasing that members still supported this event. Hawkesbury Showground brings an extra dimension to the club shows with a more relaxed atmosphere and a better chance for all of us to engage with each other without the barriers of walled gazebos.

I have been honoured to have been the Club's President over the past few years and wish to thank the committee that has worked with me.

FERGUSSON

I wish the new committee continued success in the promotion of our breed and club. I look forward to the future success of our Club and its members.

SECRETARY'S REPORT

by Warren Goldsworthy

The Scottish Terrier Club inc. has had a quiet but positive 2023-24 after the previous few years where we have suffered floods, bushfires and the tail end of COVID.

In that time it has given us all time to take a bit of a break from normal activities, and look forward to and plan the future and more importantly work out systems and modern innovative ways to operate and run our club to be totally inclusive and help club members all over Australia to participate in the clubs general operation and meaningful discussion of our breed.

We have been most fortunate to have a strong core group to form our committee this year, Karren Ferguson as president, Leanne Ferguson as treasurer and also updating our very straight forward website, Susie Campbell ably running our shows as show secretary and also doing the beautiful trophies for our shows during the year, Carole Goldsworthy has been our untiring minute secretary along with whatever else had to be done along the way. We also had Cyndi Quinn looking after the raffles at the shows, Colin Quinn managing the drinks and Terry Peck delivering judges to the airport and Mary-Lou in charge of trophy restoration.

As our Treasurer will undoubtedly show in her report, we have had a most successful year financially as well.

It has been most enjoyable to be Secretary of your club as we look forward to the year in front of us with more members and an increase in our dogs at our championship shows.

TREASURER'S REPORT

BY LEANNE ROSE

I would like to start my report by thanking members and friends of our club for their support again this year. Supporting by monetary contribution and supporting with your help at fun days and shows has made this year another successful one for the Club.

The Auditor's report was circulated at the Annual General Meeting.

I would like to point out that members support the club in many different ways and one of them is by donations such as Rosettes and this has allowed our Ribbon Steward, Susie, to always have an amazing display of Rosettes for our shows, fun days and point score winners.

We now have 122 members and that is an increase from last years membership so again I would like to encourage those breeders that are selling puppies to join their new puppy owners up for the first year and I am sure they will then continue their membership. If you need help with forms or anything like that just let us know as this in turn helps us increase our membership numbers and that will help increase awareness of our breed too.

Have a great year everyone...
