## Memories from my show days.....by Mary-Lou Keating

Sydney Royal Easter Show When I took this photo, I had amazing memories of years ago and starting a showing career.

In 1981 I was a young enthusiastic owner of my first Scottish Terrier named 'Jock' (Australian Champion Gaebidden Ambassador). 'Jock' was bred by Tom and Fay Vorias and sired by Australian Champion Aberdeen Fergus owned by Warren and Carole Goldsworthy. This started, for me, many years of showing and the beginning of long, loyal friendships.

My first real memory of a large weekend of shows was at St Ives Showground. There were 6 other junior Scotties in the ring on the first day.

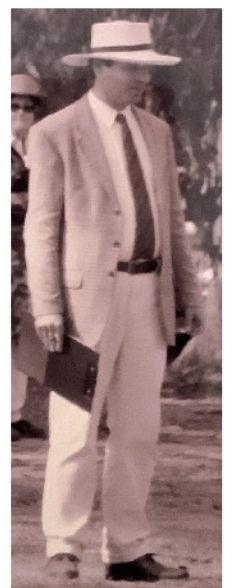

I remember nervously looking around at the faces of Molly, Kath and Jean Flood (Scotia), Eileen and Alf Collins (Benloyal), Tom, Fay and Cameron Vorias (Allscot), Ian and Loreen Southwick (Clansmead), Della Elliot (Deleve), the Newcastle clan of Betty McIntyre (Ceantire), Margaret, Karren and Leanne (Rose) Fergusson (Karlinka) and Warren and Carole Goldsworthy (Aberdeen).

Me in the show  
ring

On Sunday the show grew bigger, adding to the list with Pam and Graham Bailey (Baitonllie), Alan and Alice Bruce (Bruceal), Debbie LeBrunn (Caspersz), Peter and Dallas Pickett (Glen-Orin), Jules Hunter (Greatscott) and Laurel Donohue (Macprain).

Shortly after we were joined by Murray and Sara MacPhearson and the fun-loving, fashion-conscious Peter Willshire. (opposite)

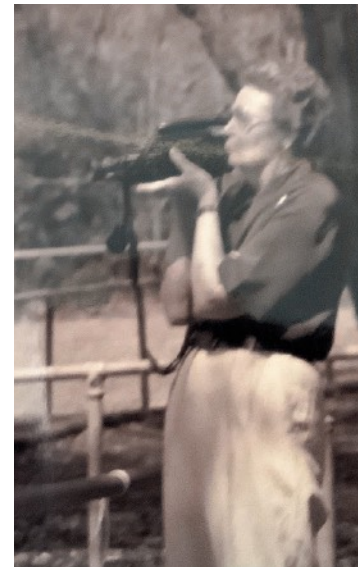

I look back at these names and see a great history of the Scottish Terrier Club. I recall classes of 10 in Open bitches and dogs with the wonderful, Mick Rainbow as the steward. I loved watching the veterans walk around in their class still showing beautifully.

There were parties at different houses for Christmas. Club shows at Ryde Hospital, St Ives and Castle Hill Showground.

I remember the day at Sydney Royal when Warren Goldsworthy showed Australian Champion Aberdeen Fordyce, English judge Mrs. Feredith Hammilton walked up and down and eventually pointed to Warren for Best in Show. I have never seen Warren sweat so much. There were no mobile phones back then, so it was a race around Moore Park Showground looking for a public phone to get the news out.

The Scotties came from Australian breeding and imports from the UK, New Zealand, Sweden and the USA. Some that come to mind are, Sandgreys Karate Kid Imp USA, Noonson Troupador Imp UK, Raglan Rear Admiral and Raglan Rousseau Imp Sweden.

As a young exhibitor I was told to read Dorothy Caspersz and Betty Penn-Bull books and speak with Mrs. Dawson who was the mind of information.

Over the years there have been a lot of amazing dogs who have enhanced the breed. Along with that there have been many good people who unfortunately are no longer with us.

So, it is not just a photo it is a capture of history, friendship and Scottish Terriers and I was thrilled to see Jean Flood at Sydney Royal this year still attending dog shows after so many years and this is what has prompted me to write this.

I do apologise if I have not remembered someone, or correctly. Some dogs and people who are mentioned above that I found photos of, hope you enjoy as I have looking back over the years....
