Vale Judy Sargent

Judy began her journey into the dog world in 1994 with the acquisition of Jack Russell Terriers, firstly as pets then as show dogs. She successfully bred and exhibited them under the Enchantment prefix.

A few years later she bred and successfully exhibited a few Sealyham and West Highland White terriers .

However, everything changed in 2001 when I asked Judy if she might look after a litter of 4, three month old Scottish terrier puppies while I went overseas. Judy became totally smitten with these puppies and on my return I offered her the pick of the bitch puppies to thank her for her care of them.... As the saying goes..."the rest is history".... The Juscot prefix was born.

From this lovely bitch "Wilma" otherwise known as Champion Justscot Enchantin' of Whitebriar, Judy became established as one of most revered Scottie breeders in the world. Every winning Scottie Judy owned..and there were many, goes back to Wilma. Her bitch line was amazing.

Judy sent numerous puppies overseas to be shown and bred from with great success.

She became known for her beautiful and correct breed type scotties. She exported to many countries including Russia, Czech republic, Japan, USA, Hawaii, Australia etc. Her dogs were noted for their happy exuberant temperaments, testament to Judy's love and devotion to her dogs.

You could pick a Juscot a mile away.

Jude made great friends with scottie breeders around the world and cherished her friendship with them. She attended the world Scottie conference in UK in 2015 where she met up with many fellow breeders including her good friend, the great scottie guru Mr Dan Erricson who had so much respect for Judy and her breeding program..Jude was equally proud of the great many puppies sold as pets that gave so much pleasure to so many families.

She was always there to provide support to all her puppy owners and was a good friend to them all. Judy was a great supporter of the Scottie and Westie clubs and held high office in both for many years. She was also secretary of the Cambridge kennel association for several years.

Judy had a great passion for dog shows. It was her thing. She could present a Scottie second to none and won a countless amount of awards and many Best In Shows. She was so loved by the dog showing Community and had so many friends and staunch supporters. Many came to Judy for advice and she was always happy to share her knowledge.

Judy was a very clever lady in so many regards. She enjoyed to the end, her many crafts, quilt making, pottery and her lovely garden.

For me personally, Judy was my best friend and as many of you know, we spent many, many hours indeed years together with the dogs at the lovely kennels Frank built at Taupiri. I miss her beyond words.

However Judy's greatest love was for her wonderful family and to Judes mother Nana Lee, Frank, Paula, Leeann, Mark, Jenny and grandchildren, Laura, Holly, Tom, luca, Jonah and Jasmine, we send our deepest sympathy and love...

Rest in peace dear friend

Maureen Murphy
