THE SCOTTISH TERRIER CLUB INC. COMPETITIONS

The Scottish Terrier Club Inc (STC Inc) runs two competitions each year.

- The Point Score Competition
 - The Challenge Competition
-
- The competitions are open to *STC Inc* members only.
 - The aim is to get as many Scottish Terriers in the ring, particularly at selected shows.
 - The Scottish Terrier must be owned, or part owned by a *STC Inc* member.
 - The winners are then presented with a Rosette at the Christmas Lunch and Awards Presentation.

Point Score Competition

There are 3 Point Score shows each year – nominated and voted on at a General Meeting. This number is made up from three *STC Inc* shows (traditionally held each year at Easter, in August and in October).

The scores are calculated from each nominated Point Score show marked catalogue signed by two *STC Inc* members present on the day of the Point Score show.

- Marked catalogues will be kept for a maximum of two years by the Point Score Steward
- To view a marked catalogue, a request is to be made in writing to the Point Score Steward
- Inquiries regarding scoring for a particular show are requested as soon as possible after the show is in question.

The Winner of each category is determined by the highest number of points awarded as per the “guidelines for scoring”
