# Scottie News!

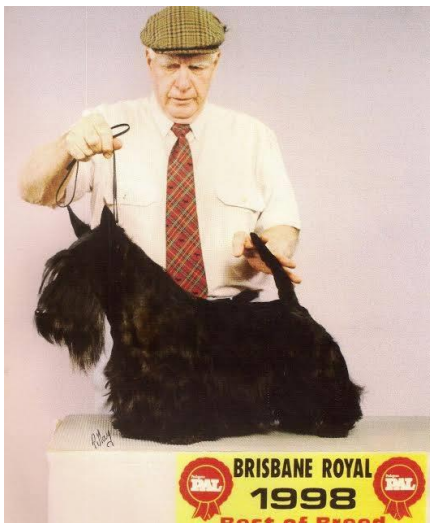

Edition N2017.5

June 2017

## Vale Tom Vorias.

Many members, particularly the breeders and exhibitors will remember Tom Vorias.

He passed away during the early hours of Saturday morning after a very long illness. Although we knew this day would come we are nonetheless grief stricken at his passing. He was a loving Husband, Father and

Grandfather and absolutely adored his precious Scotties and took a great interest in them to the last.

His passion was with the grooming and presentation and loved helping newcomers to the breed in this regard. Later on he took over the handling from our son Cameron when he graduated from University and sought employment in the Mining Industry in WA. and took many of our dogs through to their Championship Titles and the last of our imported dogs Gr Ch Brueik Solo Voyage (IMP UK) to his Grand Champion Title, the first Scottish Terrier in Australia to be awarded this prestigious title. He was an ex-President of the Club and steered the Club in 1987 to bring out a Specialist Judge in Mr Allan Gill (Gillson) for our 50th Anniversary Show. Thus setting a precedent for future Anniversary Shows.

*Fay Michael & Cameron Vorias*

Tom & Fay loved their Scotties.

When they were looking for a pup Fay was working with a person who showed German Shepherds who suggested that if they wanted a puppy, they should go to a show at St. Ives show ground as they lived close by at Frenchs Forest., This is where we first met Fay & Tom, formed a friendship and as we were having a litter offered them a puppy.

The first of many Scottish Terriers. Ch Aberdeen Fynella was probably the most successful one they had from us. Nelly won bitch challenge at Sydney Royal and many in Show awards.

Tom did a great job trimming their Scotties and was very competitive in the show ring.

They imported two lovely Noonsun Scotties from Nellie Holland. Those Scotties proved to be very successful in the ring. Tom was very active in the Scottish Terrier Club and was also President of The British Terrier Club at one stage.

He used his marketing experience to assist obtaining sponsorships for the clubs.

Eventually Tom and Fay moved to the Central Coast and then to Toowoomba.

During Toms time at Toowoomba he was actively involved in the dog world and organised country shows for them.

We have many fond memories with Fay & Tom from "The Old Days".

Ours thoughts and prayers go to Fay and family at this sad time.

Sunday, 15 October 2017	Illawarra Celtic Games (to confirm)
Sunday, 5 November 2017	Scottie Dog Xmas Party and Awards Presentation

## The STC Inc. Easter Championship Show Critique

Judge Mrs Alison Kenny - Marriot (UK)

It was a great pleasure to judge this special show. Thanks to the hardworking officers and committee for inviting me and also extending such wonderful hospitality to my husband and myself during our stay in Sydney. It will stay in our memories for a long time.

The weather was kind and the show ran impeccably thanks David, the steward and Jo and Marion. They considered the dogs comfort all the time and no dogs were left in the sun for any period of time. Thanks to all the sporting exhibitors who accepted my placings with good grace and gave me such a numerically excellent entry to judge.

My principal winners were –

Best in Show Donahue's CH MACPRAIN MEMORY LANE

Best Opposite Sex Goldsworthy's CH STUANE ROYAL MYTH

Best Puppy Campbell's BESCOTT CELTIC MYTH

All my principal winners displayed excellent breed type, were well presented and a credit to their owners.

My main observations about the breed from the entry that I judged were as follows.

Most exhibits displayed good bone and substance and expression and stops were very good on the whole. However, there were a few poor mouths and fronts and some lacking in ribs.

Some exhibits were much too high off the ground caused by poor angulation and also some were well up to size especially in bitches. Some exhibits could have got higher placings if the coat presentation was better.

You do have enthusiastic breeders/exhibitors /owners that love the breed and are keeping the Scottie flag flying and you should all be commended for that.

I know it cannot be easy for Australians to import dogs these days. Not many foreign breeders are willing to keep a puppy to import to you, as they have to keep a puppy for such a long period of time. Your gene pool is not extensive and this is becoming a problem even in the UK.

You do have some dogs that could make a difference to your breeding programme but you should bear in mind what your dog needs to improve and try and line breed to a dog that is correct breed type and quality.

Thank you again for you inviting me to judge this wonderful breed that we all love so much. I wish you all good luck and happy breeding in the future.
