# PRESIDENT'S REPORT

## KARREN FERGUSSON

Over the past 5 years since our 80th Anniversary we have seen and are continuing to see many changes within the dog fraternity and around the world.

The ongoing battle with the new reforms proposed by the Department of Primary Industry (DPI) for the regulation of cat and dog breeding in NSW continues to threaten the pure bred dog world and our sport.

Some unrealistic issues proposed in the new Bill will certainly have an affect on the sincere, honest pure bred dog breeders who only seek to improve our breed. Dogs NSW continues to campaign and make submissions on behalf of our breeders for clarification to the Bill. Amendments to this put forward by the Animal Justice Party will not only affect breeders but also those who choose to have a family pet. To stay informed with the submissions and parliament's decision visit - News on dogs NSW website.

Over the past 2 years we have seen a pandemic impact our lives on all fronts, professionally, commercially and socially. We have seen the cancellation of our breed shows and also Sydney Royal during this time.

Although our shows have been impacted by these events we have managed to stay in contact with members via our new website and through podcasts. We were able to hold a belated Christmas Party with the West Highland White Terrier Club in February under a Covid safe plan which was successful and enjoyed by all who attended.

Easter 2022 will be our first show for over 2 years. While we are still getting to grips with living with this virus we hope that all our members remain safe and well. So let's make this a great Club Event.

Travel restrictions, recent floods and now the invasion of Ukraine just continue to throw up challenges for all of us. We hope that our members living in those flood areas are all safe. We also extend to our breeders and all families in the Ukraine a speedy end to the tragedy that is occurring.

The Club's new look website has been a great hit with members. It is quickly and easily updated and the shop makes it easy for all members to pay their membership and purchase goods.

I would like to thank all members past and present committees for their continued support of the Club and our activities.

The dedication and love we all share for the Scottish Terrier I hope, will move our Club forward for the future.

## TREASURER'S REPORT

### LEANNE ROSE

Firstly, congratulations to The STC Inc on their 85th Anniversary Year. I have celebrated with them since their 40th Anniversary Year and I am thrilled to still be celebrating.

The Club has also been in a very good financial position thanks to the membership, without your support the Club would not be able to survive. I thank you for your membership, supporting the Club raffles, donations for Rosettes etc it makes my job easier.

## SECRETARY'S REPORT

### WARREN GOLDSWORTHY

Our 85th year has started with a similar pattern to the last couple of COVID years since 2020 with cancellation of Dog Shows, varying regulations regarding social distancing, wearing of masks and restriction of numbers allowable in venues etc. However, your Scottish Terrier Club has continued, albeit differently to our past way of conducting our clubs affairs.

When Carole and myself first joined the STC, the meetings were always convened once a month at the Red Cross building in the middle of the city of Sydney with free parking under the building, we had four shows then and they were nearly always held at the same venues every year.

Over the years the Club has changed and we now have three shows, we have all our meetings by ZOOM and due to this technology, it has allowed us to include in our meetings members from Picton in the South to Newcastle in the North all with the ease of our computer, laptop or phone, all in the comfort of our homes.

The Committee has had to adapt to our way of managing our clubs affairs and although we have been restricted with our social activities at the moment, we have still been able to conduct some of our shows complete with great prizes and rosettes chosen by Susie Campbell, we have also had our annual Christmas parties and Black & White days with a really good time had by our members and the West Highland White Terrier Club.

Leanne Rose has also revitalised our website which has given us greater flexibility to inform members of our show dates, social events, historic information and also our online shopping experience for our raffles, shows and social events that are available even with the restrictions we have endured.

I would like to thank all of the committee for their support and I have found it very encouraging that the members of our club have continued to donate both in time and money for raffles and prizes so that it can carry on and remain viable.

This is our 85th year Anniversary and we hope you can all come and help us celebrate.

All the best

*Warren Goldworthy*

## SHOW SECRETARY SUSIE CAMPBELL

My name is Susie Campbell and my roles in the Scottish Terrier Club Inc are Show Secretary, Trophy and Ribbon Steward.

Since taking over the role of Trophy Steward, we have implemented a Rosette Donation and Sponsor drive for our Rosettes and sashes for all three shows that we hold in a calendar year.

It has been very well supported and I am extremely grateful to our generous members and donors. With the support of our members and donations from sponsors, we are able to offer lovely Rosettes, Ribbons and Prizes at our shows and fun days.

All donations are greatly appreciated. Donations for Rosettes can be made through our website.

Being relatively new to the position of Show Secretary, I am still learning. It is very interesting to see what goes on behind the scenes to get a show up and running.

We are very fortunate to have members who are willing to offer their time and knowledge so the Shows, Fun Days, Raffles, Xmas Party, STC Website, Newsletters and of course this Anniversary year book can be enjoyed by us all.

Congratulations to the Scottish Terrier Club Inc for reaching such a wonderful milestone as an 85th Anniversary! I believe we are one of the longest continual running breed club in Australia which is quite a feat. May there be many more anniversaries to come.

*Suzie Campbell*

# OUR CLUB, PAST PRESENT & FUTURE

## A brief catch up....

It all began in a bar at the Sydney Showground in 1937, The Scottish Terrier Club was formed. Over the years it has had a couple of slight name changes but has remained the same club.

The Club affiliated itself with the Kennel Control and this body received the support of the RAS Kennel Control, reason for joining this body was, Member's felt that there needed to be a body that would keep registrations of dogs, pedigrees and general organisation of the dog world.

The Club has used different means of communication over the years by publishing regular Newsletters, Souvenir Year Books and we even had some podcasts last year.

Many changes have taken place over the decades, first show that was held in 1938 had a total number of 137 entries, today due to many reasons that number is declining.

Over the years printing of Newsletters, club reports, show results have become expensive for the Club to produce, so I do hope you like the future of our communication, the 'Club's first Ebook'.

This book can be saved and looked back on for many years to come, with links to other information, articles and to Member's websites, you can also print it if you want. Enjoy!

I'm sure this is due to the hard work by your past and current Office Bearers and Committees.

I'm sure there are many fun times planned for this 85<sup>th</sup> Anniversary Year and the Westie Club is happy to be part of them.

Once again many congratulations on a milestone Anniversary.

## CLUB PATRONS

**The Club asked each Patron to write a brief beginning with their Scotties...**

### **Easter Patron - Eva Karlik**

When escaping from Budapest and taking refuge in Vienna, my mum Agnes met and fell in love with a neighbour's scottie. She decided then that once settled in Australia, she would get a scottie. Guess what? She did! Thus began our journey throughout our lives with these cheeky, tough little short legged dogs. Photo 1 our first scottie, Kati, Aintnoch Catherine with my brother and great uncle in 1958, before I was born. Apparently she diligently took it upon herself to babysit me so maybe that instilled in me such a love for them?

In 1985 we joined the KCC hoping to learn more about breeding and showing. Our breeder prefix KILRAK, is our surname backwards. That lead us to join the Scottish Terrier Club of Victoria where mentors such as Shirley and Jim Adams helped us. Once we tackled the grooming aspect and became passably adept at it, we decided to show.

One of our highlights was at the RMAS 150th year anniversary show. Rocky, KILRAK Champayne Man won BOB and his mum Ruby, KILRAK Kalevala Kyllikki, Runner up and Bitch Challenge.....the show bug had bitten! Another highlight was a dog we exported to Hawaii. Herbie, AM CH KILRAK Oceania Gold, reached the giddy heights of being in the Top Ten Terrier in the United States! These were wheaten scotties so quite an achievement. Photo 2 is Rocky with Agnes.

Our Scottish Terriers are our passion. Poppy, CH KILRAK Poppy Piper, became our first MBIS Neuter Champion. She and her mum Hilde, also starred in a CHUM dog food commercial for television. Remember the catch phrase "so chumpy, you can carve it"? You can catch the commercial at <https://youtu.be/0QY9Fblq138>  
Photo 3 is me with Poppy.

*Agnes and I wish the Scottish Terrier Club of NSW a Happy 85th Anniversary. It was an honour to be asked to be Patron and we hope the club prospers and continues its good work and friendly club atmosphere to promote our magnificent breed, the Scottish Terrier.*

### Spring Patron - Helen Westbury

My name is Helen Westbury and I am delighted to be a Patron for the Open Show. A big thank you to the STC inc Committee.

I was introduced to the wonderful world of Scotties by a very lovely lady, Miss Doris Watson, who told me if I wanted a dog that came when I called "do not get a Scottie". If I needed a dog who loves you to the very end, protects you and is unique "A Scottie is for you".

Miss Watson was spot on. I got my first Scot in 1973, his name was Hamish McTavish. He soon became head of the house, and he loved music and he would dance around. His favourite was the Type Writer record.

One Day he came over to me and wanted to dance. I picked him up and dancing we would go. It was a ritual every day for us right to the very end.

I have been mum to fourteen Scotties and still love and miss them. The Westbury Clan three members are 'Izzy' (twelve and a half) and two Westies 'Sandy' (6 years) and 'Charlotte' (5 years).

*Hope to see you at The Scotties Shows and I congratulate the Club on its 85th Anniversary Year. Helen*

### October Patron - Karren Fergusson

The first Scottish Terrier to come into our household was obtained by my sister Leanne in 1973 'Deleve Letea'. In 1974 with the purchase of another bitch 'Deleve April princess' our kennel prefix "Karlinka" was then established.

Breeding sparingly, between showing and full time work we have bred and owned over 40 Champions.

We have imported dogs from New Zealand, UK and Sweden, bred and owned the first Scottish Terrier bitch to attain her Grand Championship in 1999.

I am licensed to judge both Terrier and Toy groups and have had the opportunity to judge these both at a national and international level.

Some of my most memorable judging appointments have been The Scottish Terrier Club Inc Championship Show and British Terrier Club 'Terrier of the Year'.

I am a Life Member of The Scottish Terrier Club Inc. (NSW) and it was an honour to be asked to be Patron to the Club. Over the past 49 years I have held most positions in our Club.

Grooming our breed is one of my greatest passions and over the years the styles have changed and I have had much pleasure in gaining advice and learning from other breeders from around the world.

I enjoy passing this knowledge onto new exhibitors as it is always a pleasure to witness our breed entering the show ring presented to the best of our ability.

The first Anniversary show I attended of The Scottish Terrier Club, was the their 40th and have been to all our Anniversary shows since.

*I am grateful to be attending the 85th Anniversary show and wish the Club continued success in the preservation and promotion of the Scottish Terrier in Australia.*

# PROFILE - OPEN SHOW JUDGE

MISS KATIE ANDERSON

I attended my first dog show at the age of 12 months and grew up in the Terrier world. With my parents I assisted showing, breeding and grooming American Staffordshire Terriers and Australian Terriers very successfully with numerous Australian and Grand Champions.

I developed a passion for handling, starting in Junior Handlers and being awarded Runner up National Junior Handler Winner in 2015. With my handling experience of almost all the terrier breeds and a devotion to dog showing, 2022 was the year I decided to undertake the Terrier Judging Scheme and I am looking forward to being able to judge my beloved group once completed.

I am most thankful to The Scottish Terrier Club Inc of NSW for the offer of judging their 85th Anniversary Year - Open Show.

# PROFILE - OCTOBER CHAMPIONSHIP SHOW JUDGE

**Geoff Whitfield (NZ)**

To be invited to judge a breed specialty show is an honour especially when the breed is a long-standing favourite so I thank you sincerely for the opportunity.

I have been involved with pure-bred dogs since my school days encompassing the many aspects of our sport over the years. Known mainly for my Kerry Blue Terriers, I have also shown successfully Fox Terriers (both coats), Lakelands, Scottish Terriers and Cocker Spaniels.

My initial breed was Scotties and I spent a number of years involved in both breeding and exhibiting with good success. The fondness for the breed has remained. I have been lucky enough to attend the Montgomery Terrier show weekend in the USA on a number of occasions; a must for each trip is to spend time at the Scotty ring taking in the judging and enjoying the dogs.

I have held an All Breeds Judging License for a number of years judging throughout New Zealand and Australia as well as assignments in Ireland, Canada, USA, Japan, China and the Philippines.

A Life Member of Dogs NZ, I am still actively involved in club administration. My wife Cathie and I are 'dog people' and when we can travel, like to visit shows overseas to keep up to date with our breeds and the show scene at large.

# SCOTTIES AND THE AUSTRALIAN WOMEN'S WEEKLY – THE 1940'S

## **Kim Bagot-Hiller**

As an artist/ printmaker I admire the 1940s commercial illustrators, so when the opportunity came up on eBay to purchase a 1940's Australian Women's Weekly with an extra bonus of a Scottie on the front cover I jumped at it. After Posting the cover on Facebook, Leanne phoned me to ask how to use the cover in the 85th Anniversary yearbook? I had no hesitation to help where I could, to gain permission to use the image from Are Media, owners of the Australian Women's Weekly.

Scotties were a popular subject for commercial illustrators/artists because of their cheeky comical character, not to mention their good looks, especially during the period of World War II, to brighten up the Fashion pages of Magazines. The issue 27th April 1940 with the cover in the wonderful fashions colours of autumn created out of actual fabrics of tweeds and woollen's, fashioned in the military style of the time, of course, the must-have fashion partner a Scottie.

The artist, "Petrov" (Geoffrey Claude Turton) was a cartoonist and magazine illustrator. His association was with The Australian Women's Weekly, Smiths Weekly in the late 1920-30s, Wentworth Magazine and the Bulletin 1930-33. His works have appeared in 2 Exhibitions, "Australians in black & white: (the most public art) 1999 State Library NSW and "Fifty Years of Australian Cartooning" 11-19 September 1964, Blaxland Gallery Sydney. He remained at consolidated press until 1964.

Two more covers of the Australian Women's Weekly were discovered to feature a Scottie, through searching the database on all things Australian called Trove on the National Library of Australia website. Another design by "Petrov" (Geoffrey Claude Turton) was issued on July 12, 1941. The other is by the American artist, journalist, and adventurer Carl Shreve.

Shreve arrived in Australia in mid-1936. By December Shreve was producing illustrations for magazines and newspapers including painted covers for The Australian Women's Weekly. The widely travelled Shreve exhibited paintings based on his travels in Sydney in 1938. Shreve was by far the most prolific cover artist for the Australian Women's Weekly and during 1939 contributed twenty-eight of the years fifty-two covers, the issue features here is July 6, 1940.

One more snippet, **David McNicoll** who was the Editor-In-Chief of Australian Consolidated Press and also owned scotties from one of our past members Betty McIntyre.

On behalf of The Scottish Terrier Club Inc, Thank you to Are Media Pty Limited / **aremediasyndication.com.au** / 'The Australian Women's Weekly', for allowing the use of the images.

# THERE'S SOMETHING SPECIAL ABOUT SCOTTIES

by Stacey Sullivan

We all know how the unconditional love of a dog can bring us tremendous joy. Over the past years while some of my friends have been sick in hospital or rehabilitation, I have taken my Scotties in to visit them. They have been such a massive hit not just with patients but also with the staff.

For me, it's been an absolute pleasure to be able to take the Scotties visiting and seeing the smiles they bring to everyone's faces and I would say the dogs enjoy it very much and as we all know Scotties love being the centre of attention.

On one visit to the Rehabilitation Centre, I took photos of the patients with the Scotties then went down to Officeworks later that day printed some of the photos. Upon my next visit I handed them out. Some said "they would smile every time they looked at the photo". I would take in 'Sassie', 'Indi', 'Sugar' and 'Stevie'.

The biggest hit would have to be Juju, not only has he been an incredibly successful show dog but during his stay in Far North Queensland with Amanda Maynard he would visit the Royal Townsville Children's Hospital and Townsville Secondary College on a regular basis with her Jack Russell 'Kagan'. They would bring so many smiles and laughter to the kids and staff, but most importantly 'Juju', 'Kagan' and Amanda would also assist children in Foster Care hand overs.

Just to have the dogs there would lessen the tension and relax the children. This makes such a massive impact on the transition to foster care.

Now Juju is back in Victoria I am looking at getting him certified as a therapy dog to be able to continue this work down here. Its melts your heart to see the smiles as you spread the love of the Scottish Terrier!

## PROUD OWNER, BREEDER, GROOMER, HANDLER

Striving for healthy, happy scotties of correct type and temperament. We feel very privileged to be custodians of the wonderful Scottish Terrier Breed and take our role in their future very seriously.

When breeding our dogs, we carefully consider pedigrees, conformation and temperament. Our dogs are health tested to ensure they are CMO and VWD clear and clear of other inheritable, testable diseases and traits.

We love to show our Scots and we have been fortunate to have had some wonderful wins in the show ring, these include Multi Sydney, Canberra and Brisbane Royal Challenges, Reserve Challenges and Runner up Best of Breed.

We have also excelled at Specialty show level winning, Multi Best in Specialty Show and Runner Up Best Speciality show as well as many Classes in Show at Scottish Terrier Club Show in NSW and Victoria.

We have enjoyed similar success in the championship show arena winning many Best in Group, Runner up In Group and Classes in Group and Classes in Show.

Puppies occasionally available to approved homes.

# SEAQUINCE SCOTTISH TERRIERS

As a small breeder of this beautiful breed, we strive to improve the balance, confirmation and health of Scotties.

Our scotties are genetically tested for VWD and CMO to ensure their offspring are clear of these diseases. They are bred and raised in our home and get socialised at an early age of home environment for happy and well rounded puppies, so when they go to their new homes they step into their new families with confidence.

We screen our families to ensure each puppy is a great fit for them.

Our showing Scotties are family first. Our retired Scotties are living the dream. Please feel free to email, or call if you want to talk about Scottie's or have any questions regarding our scotties.

Moving into the electronic and technological age this is the first Ebook presented to members by the Club.

On behalf of the Club we would like to thank those who have contributed to this publication, the advertisers, sponsors and donors.

As you are aware putting together any sort of publication takes many many long hours of hard work and we would like to take this opportunity to give special thanks to Leanne Rose, Kim Bagot-Hiller and Scott Duncombe for their efforts and skills, expert technical work and their patience that has been instrumental in the preparation of this Ebook.
